NIGHT REPAIRS ON LITTLE BAY BRIDGES IN NEWINGTON-DOVER
NIGHT LANE CLOSURES FROM 10 PM TO 6 AM ON JULY 7 AND JULY 8

The New Hampshire Department of Transportation announces scheduled night bridge repairs will require lane closures, both northbound and southbound, on the Little Bay Bridges connecting Newington and Dover on Thursday, July 7 and Friday, July 8, 2005.

The two nights of bridge joint repairs will take place between 10:00 pm and 6:00 am. Warning signs, cones, and stop and yield signs will alert motorists to the lane closures and guide them through the work zones.

Motorists are urged to proceed through the works zones with caution. Minor delays can be expected.
